Standard finish

Trilogy products as standard are finished in a soft natural silver (priced as above).

Extra cost finish option: stock finish

On selected products, you can choose from one of Trilogy's lustrous stock high quality paint finishes, which are Mediterraneo Blue or Nero Carbonio. Please ask for a price.

Extra cost finish option: Chameleon Colour System

Trilogy's Chameleon Colour System opens up the further option of just about any finish available.

The choice of different colours is vast, ensuring your Trilogy Product or System can match any decor or environment, complimenting the space it sits in beautifully. **Please ask for a price.**
